HOW TO FOLD YOUR NATURE WALK SCAVENGER HUNT

1

Print the Scavenger Hunt

2

Fold along all of the solid lines

3

Unfold until the page is just in half and cut out the thin rectangle from the edge by cutting along the dashed line

4

Push the two folded ends toward one another.

5

Holding onto the cover page, push all of the other pages around to the back and crease flat.

6

You are now ready to use your nature walk scavenger hunt!

NO NEED TO PRINT THIS PAGE

Date: _____

(name) _____

This Belongs to the Nature Explorer:

1. What type of habitat are you taking your walk in today?
(circle one or more)

Forrest

Prairie

Dunes

Marsh

Urban/Backyard

7. How did your walk today make you feel? (circle one or more)

Sleepy	Hot	Confused
Sad	Surprised	Hungry
Silly	Nervous	Annoyed
Calm	Happy	Relaxed

Cut this box out once you fold this sheet in half.

2. Look around, can you find the following?

a A SEED
Draw it here:

What plant do you think it comes from?

b A LEAF
Draw it here:

What plant or tree do you think it is from?
What color is it? Is it brown, green, or another color?

6. Did you find evidence of humans on your walk? (circle all that you saw and add anything we missed)

Trash Cans	People	Vehicles
Trash	Tracks	Signs

Other: _____

c A TRACK
Draw it here:

Do you think it was left by an animal or human object (like a car or bike)?

d A BUG
Draw it here:

Do you know what type it is? Have you seen it before?

4. Draw or take a picture of an animal you see on your walk. (Pets/farm animals count here too!)

5. Describe or draw the path you are walking on.

3. Find a good stick!

Write a sentence to describe it.
Try to use at least 2 words from this list:

bumpy	fat	heavy
smooth	long	light
skinny	short
