

Spring Flower Craft

Supplies

Construction Paper – all colors!

Glue

Scissors

Step One

- Cut the construction paper into long strips

Step Two – Make a flower

- Glue the strips into teardrop shapes
- Glue several loops together
- Glue a paper circle to the middle of both the front and back
- Make as many flowers as you want!

Step Three – Make a Chain

- Make a paper chain from the green strips
 - With the first strip, glue into a circle
 - With the second strip, loop through the first before gluing
- After a few chain links, loop the green strip through a flower
- Keep going for as long of a chain as you want, alternating green loops with flowers

You're Done! Hang your flower chain on the wall or in a window!
