

Plant a Garden!

Supplies:

Construction Paper

Scissors

Glue

Crayons & Googly Eyes (optional)

Step One:

- Cut a 2 in. strip of green paper
- Glue the bottom and sides to blue paper
 - This will create a pocket

Step Two:

- Make fruits and vegetables
 - You can make whatever fruits and vegetables you like!
 - I made a carrot, pumpkin, tomato, and grapes
- Add googly eyes if you want

You're Done!

Now you can plant
your fruits
and vegetables
in your garden!
