

Dinosaur Tail Craft

Supplies:

Construction paper (any colors)

Scissors

Hole Puncher

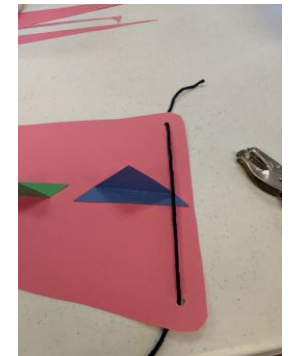

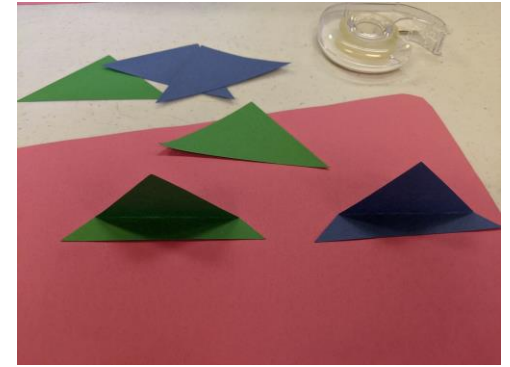

Tape

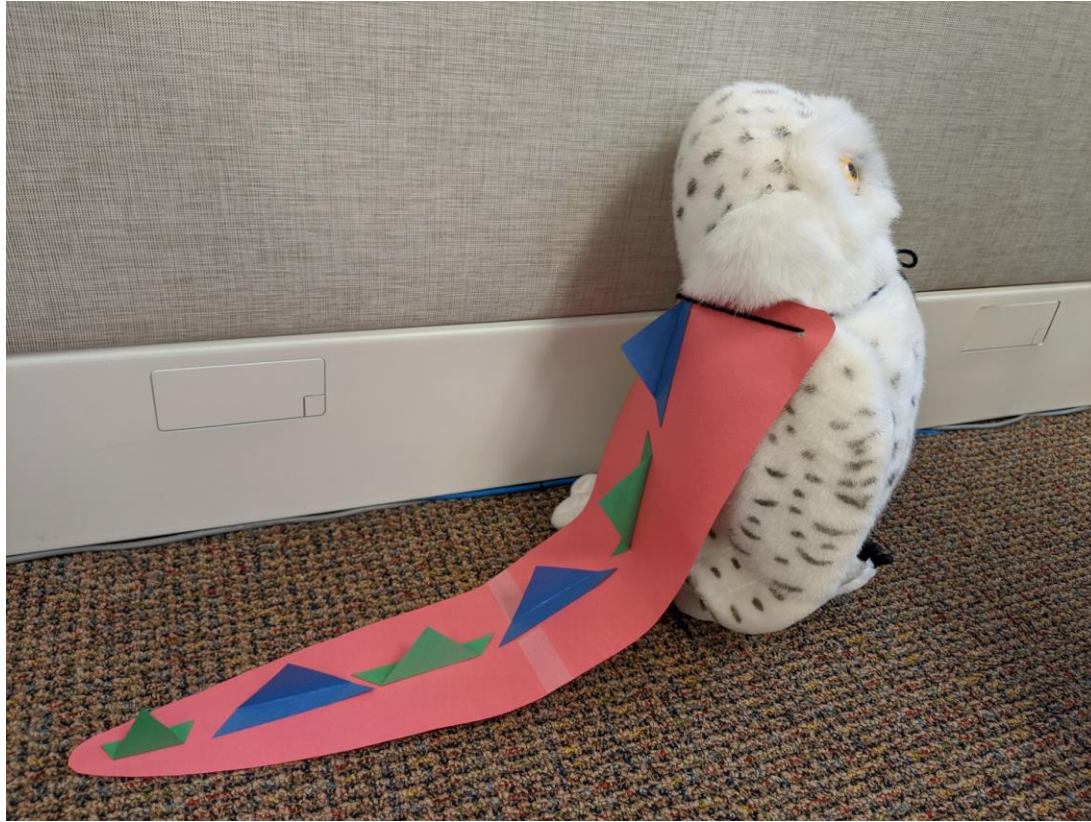

Yarn

Instructions:

- Tape two pieces of construction paper together
 - Cut into a rough triangle shape
- Cut out small triangles from other colors of paper
 - Fold the bottom of the triangle so you have a flat surface
 - Tape the flat part of the triangle to the tail
 - The rest of the triangle will stand up like a spike
- Punch two holes at the wider end of the tail
- Thread yarn through both holes
- Tie it around your waist

Now you have a dinosaur tail to wear around your house!

Make sure you stomp like a dinosaur and shake your tail!
