

Slithering Snake Craft

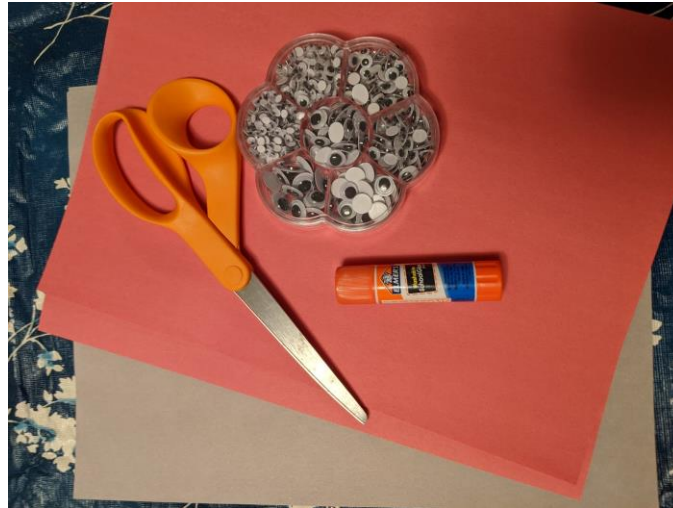

Supplies:

Construction Paper (any colors)

Glue Stick

Scissors

Googly Eyes (Optional)

Directions:

- Cut the paper into strips
- Glue the strips into a paper chain
 - Make at least 6 loops – more if you would like
 - Alternate colors if desired
- Make a head
 - Crease and glue the paper strip
 - Round corners to make a head shape
 - Add a forked tongue
 - Add googly eyes or draw eyes
- Make a tail
 - Crease and glue the paper strip
 - Trim into a pointed tail shape

You're Done!

With your help, your snake will be able
to wiggle all around the house!
