Grants are available only for Muskegon County schools and organizations. Applications will be considered on a first come first served basis while funds last, and two per grade level of a school can be accepted. Applications will be saved in case more funds become available. Grants will not be awarded for trips that were made prior to receiving the application. Grant recipients will be notified by phone or e-mail if accepted and a check for the requested amount will be sent *after* the field trip has been completed. Recipients are also asked to provide a thank you letters or a card sent to scheduling organization, that we can pass along to Howmet for sponsoring the field trip. If you are partnering your field trip with another organization we request that you only apply for one grant per field trip.
